

I need the service manual of IC-A24, IC-A25, IC-A220 of ICOM company product

I'll look for official Icom service/manual pages first, then fall back to reputable manual repositories only where official service manuals are not publicly listed.

Thought for 25s >

Here are the best available links I found for the **ICOM IC-A24, IC-A25, and IC-A220 service/manual documents**.

Model	Document	Source
IC-A24 / IC-A6	Official Icom Instruction Manual download page	Icom Japan lists IC-A24/IC-A6 manual download, file size 5.43 MB. ICOM Japan
IC-A24 / IC-A6 / IC-A24E / IC-A6E	Service Manual	ManualsLib has "Icom IC-A24 Service Manual" for IC-A24, IC-A24E, IC-A6, IC-A6E. ManualsLib
IC-A25N / IC-A25NE / IC-A25C / IC-A25CE	Official Icom Full Manual	Icom Japan lists the full manual, file size 1.65 MB. ICOM Japan
IC-A25N / IC-A25C / IC-A25NE / IC-A25CE	Service Manual	ManualsLib has "Icom IC-A25N Service Manual," 90 pages, including specifications, adjustment procedures, parts list, board layouts, block diagram, and voltage diagram. ManualsLib
IC-A220 TSO	Official Icom Installation Manual	Icom Japan lists IC-A220 TSO installation manual, file size 619 KB. ICOM Japan
IC-A220 Non-TSO	Official Icom manual page	Icom America has the IC-A220 Non-TSO manual download page. Icom America
IC-A220	Service Manual / Addendum	ManualsLib lists IC-A220 service manual content under IC-A210/IC-A210E/IC-A220 service manual addendum, 233 pages. ManualsLib +1

Important note: Icom's official download terms say the manuals are copyrighted by Icom and are for individual use only; redistribution, alteration, commercial use, and transfer to third parties are restricted.

[ICOM Japan](#) +1

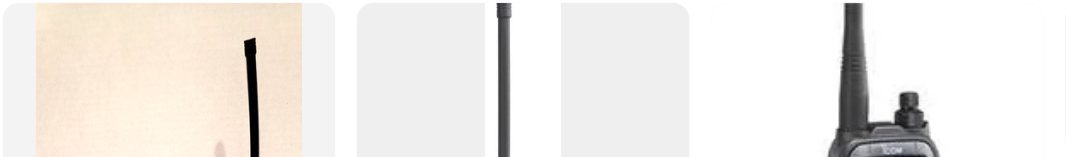

For aircraft radios like **IC-A220**, service/installation should be done by a qualified avionics technician, especially if the unit is TSO-certified.

Sources

okay, please give me the prices and datasheet for each product

Thought for 21s >

Here is a practical price + datasheet/spec summary for the three ICOM aviation radios.

Icom IC-A24 VHF Air Band Portable Transceiver
\$330.00 • Used/discontinued VHF air transceiver, compact and reliable.

Icom IC-A25C VHF Handheld Radio
\$549.95 • Current handheld VHF radio with GPS and Bluetooth features.

Icom IC-A25N NAV/COM GPS Bluetooth Transceiver
\$599.95 • NAV/COM transceiver with GPS and Bluetooth, ideal for pilots.
★ 4.7

Product	Current price range I found	Datasheet / spec source
ICOM IC-A24	About US\$330–449 used. It is discontinued, so new stock is limited.	IC-A24/A6 brochure/spec PDF; official Icom manual page also exists. sicom.ru +1
ICOM IC-A25C	About US\$349.95–579.95 depending seller/package.	Official Icom product page + full manual/download page. Icom America. +1
ICOM IC-A25N	About US\$599.95–834.99 depending seller/package.	Same IC-A25 series datasheet/manual; A25N is the NAV/COM version with GPS/Bluetooth/VOR navigation. Icom America. +1
ICOM IC-A220 Non-TSO	About US\$1,449.95–1,567.	Official Icom A220 product page + official instruction/manual download. Icom America. +1
ICOM IC-A220T TSO	About US\$2,089–2,955 depending seller/region.	Official Icom A220 TSO product page + 2025 TSO brochure/spec PDF. Icom America. +1

Key datasheet points

1. ICOM IC-A24

Type: VHF air-band handheld transceiver
Status: Discontinued by Icom; mostly used/refurbished market now. Icom America’s 2023 retail catalog says **A24/A6 is discontinued and no longer available from Icom**, while accessories remain available.

[Icom America G...](#)

Main features:

- NAV + COM handheld aviation radio.
- VOR navigation support.
- 200 memory channels.
- NOAA weather channels.
- Dedicated 121.5 MHz emergency key.
- Flip-flop channel recall.
- Older-generation handheld compared with IC-A25.

Best datasheet source: **IC-A24/A6 brochure PDF.** [sicom.ru](#)

2. ICOM IC-A25C / IC-A25N

Type: VHF air-band handheld transceiver
IC-A25C: COM-only model
IC-A25N: NAV/COM model with GPS, Bluetooth, and VOR navigation
Main features:

- 6 W transmit power.
- IP57 waterproof rating.
- 2350 mAh Li-ion battery.
- Large 2.3-inch LCD.
- IC-A25N includes GPS, Bluetooth, and VOR navigation features. Icom America. +2

Best datasheet/manual source: **Icom IC-A25N / IC-A25C full manual.** ICOM Japan

3. ICOM IC-A220 / IC-A220T

Type: VHF air-band panel-mount transceiver
IC-A220 Non-TSO: for experimental/light-sport/general non-certified use depending aircraft rules
IC-A220T TSO: TSO/ETSO-certified version for certified Part 23 aircraft use
Main features:

- 8.33 kHz and 25 kHz channel spacing.
- High-visibility OLED display.
- Large flip-flop frequency button.
- Built-in intercom function.
- GPS memory function when connected to a compatible external GPS source.
- IC-A220 TSO version can be used as a primary VHF radio in general aviation Part 23 aircraft.

Icom America. +2

Best datasheet/manual sources: **Icom A220 product page**, **A220 Non-TSO manual**, and **A220 TSO brochure**.

Icom America. +2

My recommendation

For buying now:

Need	Best choice
Cheapest handheld	Used IC-A24, but only if battery/accessories are good
New handheld COM-only	IC-A25C
New handheld NAV/COM	IC-A25N
Panel-mount for experimental/light sport	IC-A220 Non-TSO
Certified aircraft installation	IC-A220T TSO

For aircraft installation, especially **IC-A220 / IC-A220T**, check with a qualified avionics technician before purchase. The wrong TSO vs Non-TSO version can become an expensive "oops radio."
