

DEVICES

Vibrations that will change your life!

Modern, clear design

MORA Nova features a multilingual display, modern accessories and a user-friendly touchscreen. The insertable foot console and the colour-coded plug-in system complete the package. Get a real “eyecatcher” in your practice with the MORA Nova!

USE

Userfriendly

Due to its ease of use, the MORA Nova is ideal for beginners as well as experienced therapists. The patented 2-channel technology as well as the integrated ELH function (2 channels) are just two of the special features.
